Honouring 69 Years of Merdeka and our Club's Heritage

Dear Members,

As we approach the 69th anniversary of our nation's independence, it is a moment for us, as a Club, to reflect on the role Royal Selangor Club has played through the decades — as a witness to, and a part of, Malaysia's journey since Merdeka.

Few Clubs can claim the vantage point that ours holds. Situated in the very heart of Dataran Merdeka — Independence Square — our Club has, quite literally, stood at the centre of the nation's story, overlooking the very ground where the Union Jack was lowered and our flag first raised in 1957. That proximity is not just geography; it is a living connection to the moment our nation came into being.

For me personally, this year's celebration carries a special resonance. I still remember taking part in my very first National Day parade back in 1976 — and in the years since, being glued to the television set every Independence Day, watching the parade with a sense of pride that has never quite faded. I suspect many of you carry similar memories, whether marching in the parade yourselves or watching from home with family, and that shared thread of memory is part of what makes this occasion so meaningful.

For 69 years, our Club has remained a place where members from all walks of life come together — a space for friendship, tradition, and shared memories, much as it has been since before independence itself. This milestone is a reminder of the values that have carried us this far: unity, mutual respect, and a spirit of belonging that transcends race, background, and generation.

On behalf of the General Committee, I extend my warmest wishes to all our members and their families on this Merdeka. May this occasion renew our shared commitment to the Club and to one another, as we look forward to the years ahead.

Selamat Hari Merdeka.

Stephen Bong's Punch

By George Das, (mysportsflame.com)

Two young men, fully armed to the hilt, faced each other on the court in 1964.

They were like "gladiators" forced to battle each other to claim the title.

You could see the nervousness on both their faces. One couldn't afford to lose. The other knew a win was an extremely difficult task.

Their surroundings were in an uproar. They could feel the heat. The 800 roaring spectators packed the three tiers right up to the rafters. They were breathing down their necks, hot and cold.

I was one of those among that screaming crowd urging on for the battle to start.

The two "gladiators" were Punch Gunalan, the favourite and Steven Bong, the underdog.

Selangor Badminton Hall, in Kampung Attap, Kuala Lumpur was where the battle was being played.

Gunalan was leading the charge for King George V School, Seremban, while Bong was leading the fight for St John's Institution, Kuala Lumpur.

Already a member of Malaysia's Thomas Cup training squad, Gunalan, was not only an accomplished shuttler, he was a heavyweight facing an unknown.

Bong on the other hand had no outstanding credentials other than being a schoolboy badminton player

The only thing that was common among the twoboth were in Upper Six and headboys of their respective schools. Bong was also the Drum Major of St John's marching band.

When the two went into action, the roar was thundering and rattled the seats in the hall.

"We were no match for KGV. They really had a very strong team," said James Selvaraj, who at 14 years old played the second single for St John's.

It was a dramatic exchange of a shuttle, rackets and strokes between two schoolboy shuttlers.

Gunalan was in his element in the opening game. His powerful smashes showed that St John's was doomed.

The vociferous St. John's supporters were silenced. We lost our voice when Gunalan won the "opener".

But something came over Bong. He did not feel defeated nor did he cow down to Gunalan's supremacy.

The Johannian took everything that Gunalan threw at him in the second game. He retrieved the smashes, controlled those delicate flicks at the net. Bong actually bounced back into contention.

"I remember so vividly. He played like crazy. All of us never expected that sudden change in our captain," Selvaraj recalled with pride.

We, the Johannian supporters, regained our voice and kept urging Bong to "smash" and go for the kill.

Suddenly Gunalan was taken overwhelmed by his rival's comeback. This time Gunalan was on the defensive. He was playing at Bong's pace and found the going tough.

Bong, with renewed confidence rattled the experienced Gunalan, and grabbed the opening point for St John's.

He would express years later to me, "It was the most punishing and hardest fought game in my short badminton career."

Despite Selvaraj losing the second single, there was no letting St John's from being walked over. They grabbed the third single and a doubles match to capture the King's Cup with a 3-2 win.

FEATURES

Twenty years after that epic final, Gunalan and I would still talk about it. I would chide him by saying: "Punch remember you lost to Steven and gave the King's Cup to us".

We would laugh about it and Gunalan revealed: "Steven was superb against me."

"St John's supporters also made me nervous but Steven really played very well."

Gunalan, went on to become an engineer, continued his badminton prowess to become a top player in the world and later a renowned badminton administrator.

As for Bong, he pursued a different path. He channelled his talents by shaping the Malaysian advertising industry.

When Gunalan passed away in 2012, this was what Bong penned:

"My relationship with Punch was short, sweet and extremely memorable. He was so graceful, kind and motivating when he congratulated me after the match.".....Steven Bong

That match may have lasted only a few games, but it gave both men a lasting place in Malaysian schoolboy badminton folklore.

And for those among us who witnessed it, Steven Bong's "punch" was one we would never forget.

Bong passed away on 9th August 2026.

Another Great Reason to Visit the Club!

By Dr Pola Singh

Our Dataran Clubhouse is famously blessed with a front-row seat to the iconic Sultan Abdul Samad (SAS) Building. Recently upgraded and beautifully restored, this grand heritage landmark is always a sight to behold by day. But from now through Malaysia Day on September 16th, members and their guests are in for an extra special treat come nightfall.

As evening settles, the SAS Building is illuminated by a dynamic light show, glowing in the vibrant colors of our Jalur Gemilang with captivating displays that shift by the second.

Whether you are unwinding at the Verandah, relaxing in the Cocktail Lounge, or dining at the Chinese Restaurant, our vantage point offers an incredible view of the spectacle. It is a genuine feast for the eyes and a uplifting sight for the soul.

This is yet another fantastic reason to drop by Dataran. Bring your family, friends, and overseas guests along—it is a sight that makes us all proud to be part of the RSC community. Best of all, this spectacular evening show comes entirely free of charge!

A Health & Wellness Talk by Dr Jagdev Singh Bhullar

By Ronald Quay . Chairman. RSC Life Members Fellowship Group

LMFG Chairman Ronald Quay backs the speaker Dr Jagdev Singh in the Q&A session

An audience that participated well in exchanges with the speaker

A token of appreciation to Dr Jagdev from LMFG Committee Member and RSC General Committee member. Albert Lim

Health and wellness practitioner

The Life Members Fellowship Group recently hosted a talk on 'Inflammation, Your Body is on Fire!' at the Kiara Hall recently on Sunday 26 July 2026.

We invited well-known health and wellness practitioner, Dr Jagdev Singh Bhullar, to present the talk. Jagdev is a Malaysian healthcare professional, entrepreneur, and health educator with extensive experience in the healthcare and pharmaceutical industry.

He has delivered more than 200 medical and public health talks to doctors, healthcare professionals, corporations, and the public across Malaysia, including engagements with over 8,000 doctors, focusing on preventive healthcare, inflammation, metabolic health, nutrition, and functional medicine.

We are pleased to report that nearly 100 life members, their spouses and other interested club members attended this talk on a leisurely Sunday afternoon.

Eddie Teo has a question for Dr Jagdev

FEATURES

Captivating presentation stretches to two hours

The talk by Jagdev was to last for about one hour but it stretched to nearly two hours! That was how interesting the talk was. The speaker gave a most captivating presentation to a captivating audience that was quite enthralled by the subject matter. Matter of fact, I must say the speaker gave a most passionate talk on inflammation and all its side and other effects which most of us listened to with much interest.

Inflammation a sort of ubiquitous infection

Until Jagdev spoke to us, many of us in the audience did not realise that inflammation is, in fact, a sort of a ubiquitous infection that happens to our body for most of the time that we may not be aware of. Little issues like minor swelling, redness on the skin, pain and so on.

So, this talk by Jagdev indeed opened our eyes to the effects of inflammation on our body and its linkages to issues like diabetes, the diet, heart disease and arthritis.

Humour in the Q &A

The Q and A session was indeed lively with quite a few members posing some interesting questions to Jagdev who, to his credit, took the bother to give detailed answers added with a tinge of humour – which made the session even livelier!

Tea break fellowship for members . old friends

They brought out the balloons for Dr Jagdev

They listened in awe to the man on fire!

Importance of diet

In his presentation, Jagdev, spoke about wellness and the importance of diet as well. That as most of us go through the aging process, he emphasized that good health is always dependent on regular movement (that is, exercises), a good nutritious diet (consult a dietician), do regular check-ups and most importantly of all, always eat in moderation.

Eating durians a health hazard ? No !

A member of the audience even asked the speaker (since it was durian season) would eating durians much pose a health hazard? Jagdev adroitly answered that like all things we do, you can eat anything including durians but, again, do it in moderation!

Stimulating presentation

The event concluded at about 5.30 pm and all attendees gave a resounding round of applause to Jagdev for a most stimulating presentation on "Inflammation, Your Body is on Fire!". GC member, Albert Lim, was present among the audience and he graciously presented an attractive souvenir to the speaker in appreciation of his excellent talk.

Thursday nights at the billiards room

Where the spirit of the Royal Selangor Club comes alive

By Dr Pola Singh

A typical Thursday night crowd at the Billiards Room

There is something truly special about this room on a Thursday. It comes alive.

The familiar click of balls on green baize, the low hum of friendly banter, the burst of laughter that fills the air — you know you are among friends. While the Club has many corners, on a Thursday night, for me, there is no better place to be than right here in the Billiards Room at the Dataran branch.

This magic happens because of our loyal Thursday regulars. Led by the ever-faithful Eric Low and Yip Chee Keong, they are there almost without fail, week after week, cue in hand. Their commitment is what keeps the tradition going.

It was wonderful to see so many familiar faces again this evening — Dato Richard, William, Rama, Amrit, Liao, Kenny, KM Wong, Shiren, Swen, Albert Lye and many others. Old and new friends, all.

And it's never just about the game. Beyond the makan-makan and the friendly contest on the tables, it's about the company we enjoy. The stories, the jokes, the leg-pulling, the genuine camaraderie built over so many years. That, to me, is the true spirit of clubbing.

If you want proof of that spirit, you only had to be there for Liao's recent birthday bash, also held on

a Thursday. It was a riot — in the most positive way! The room was full, the joy was infectious, and the laughter never stopped. Liao later thanked me personally and told me he had never celebrated any of his precious birthdays with so much joy and fun. It was truly a memorable night, a night to remember. The short video I put together for him was just the icing on the cake.

That is what Thursday nights give us — moments we remember.

None of this would be possible without our hard-working and ever-friendly Billiards Convenor, Tony Lim. He is always there, quietly ensuring everything runs well, always ready to lend support to the players and keep the spirit of the room alive. Our heartfelt thanks to Tony. And Lingam - our dedicated staff who always serves us with a smile.

So, if you are at the Dataran on a Thursday night, head to the Billiards Room and you will find it alive and kicking. And for those who have not yet experienced it — come to the Billiards Room on a Thursday and find out for yourself the incredible joy and fun that Billiard members have.

Proud to be part of this little Thursday family. Here's to many more Thursdays together.

Three Decades on the Table: RSC and KL Bar Face Off in British Pool

By Dr Pola Singh

Thirty years of rivalry, cue balls, and post-match banter brought the house down at the Oval on August 7, 2026. The 30th Annual British Pool Match between the Royal Selangor Club (RSC) and the KL Bar delivered non-stop action, free-flowing drinks, and the kind of electric camaraderie that only three decades of tradition can brew.

While RSC couldn't hold off the legal eagles this time around, the energy in the room was pure victory.

The Scoreboard

- Final Result: RSC 2 – 5 KL Bar

Singles: RSC Strikes First (2 – 1) RSC took early control on the single tables, showing serious grit in the individual frames:

- Venuk 1 – 2 Alvin
- Alai 2 – 0 Peter
- Sanjay 2 – 0 Joe

Doubles: KL Bar Sweeps the Board (0 – 4) KL Bar brought total tactical dominance to the doubles section, sweeping all four matches to secure the overall win:

- Ruben / Maran 0 – 2 Alvin / Yee Shin
- Parvin / Narresh 0 – 2 Peter / Joe
- Geoff / Tanis 0 – 2 Brenda / Dennis
- Rama / Ash 1 – 2 Natasha / Elaine

Respect the Game A massive Syabas and congratulations to the KL Bar team! Entering as the favourites, their lethal performance on the doubles tables earned them a well-deserved victory.

To every RSC player and the roaring supporters who packed the Oval: thank you for bringing the noise and keeping the spirit of the game alive. This setback is just fuel for the fire—time to chalk up, hit the practice tables, and reclaim the crown next year.

A huge shout-out to Billiards Convenor Tony Lim for orchestrating another unforgettable chapter in this 30-year legacy!

RSC retains RBSC Interport trophy

By David Law, Treasurer

The Royal Bangkok Sports Club v Royal Selangor Club Bridge Interport match is one of the oldest interport events in the club, first played in 1982 (the writer's first appearance was in 1981). It has since been played annually on a home and away basis, except for a short break during the Covid 19 lockdown.

The match has always been played as a single team event over two days but this year, RBSC wanted to bring a larger group, to visit Kuala Lumpur as well as take part in the Interport. Both clubs agreed not to change the format, but as a once off item, RSC will host a second team for a one-day "friendly" match. The Interport match was played over 96 boards and representing RSC were Dr N.K. Chin, Rona Chin, D. Law, S.B. Tan, F. Wich and J. Wich.

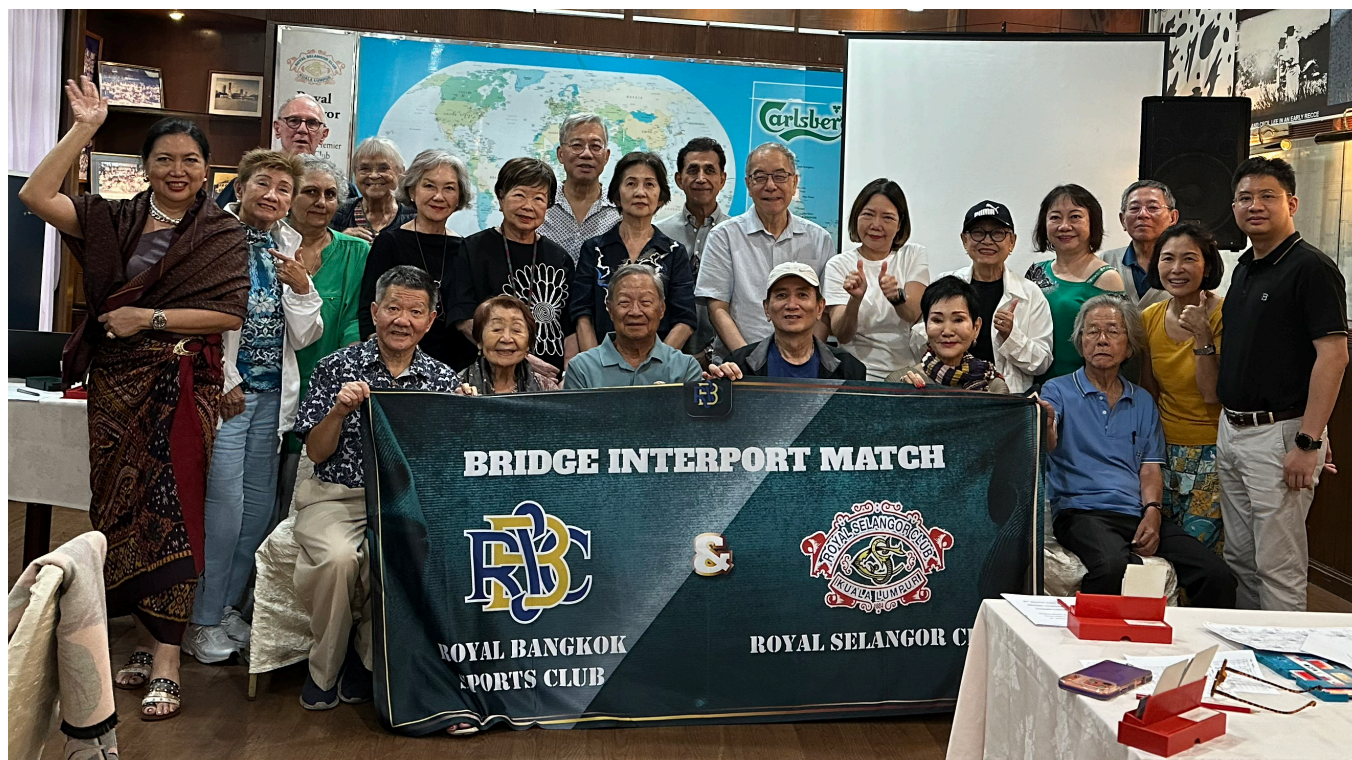

The Friendly match was scheduled for 48 boards and representing RSC were P. Kinloch, Dr M. Rai, K.C. Tan and P. Tse. The event was held at Dataran instead of the usual Kiara venue.

The Interport match was keenly fought, with the lead changing hands over the first three sessions of 24 boards. With 12 boards to go, RSC was leading by just 1 imp but managed to pull away to win 169-154imps at the end. Well done! This is the sixth consecutive victory for RSC.

In the Friendly match the RSC team suffered a massive deficit of nearly 70 imps after 24 boards and the team decided to concede the match.

DANCESPORT

A Glittering Summer of Dance: RSC Dancesport Hosts Spectacular Events in July & August

By Looi Ming Foo, Secretary

The RSC Dancesport community has enjoyed an extraordinary season of rhythm and elegance, hosting two spectacular events over the past two months. From a grand celebration in Kuala Lumpur to a glittering inter-club gathering in Penang, our dancers proved that the spirit of ballroom is very much alive.

RSC Dancesport Annual Dinner and Dance (11 July 2026)

July kicked off with a magnificent celebration at the RSC Dataran Ballroom. The Annual Dinner and Dance was a night of pure elegance, with 102 guests (57 members and 45 guests) filling 11 beautifully appointed tables.

The evening began at 7:00 PM, with attendees adhering to a strict dress code of Black Tie and evening gowns, setting the tone for a formal affair. Guests were treated to a sumptuous Western sit-down dinner, featuring a choice of roasted chicken, perch fish fillet, or spaghetti aglio olio, accompanied by the fine company and a bottle of red wine per table.

Musically, the evening was a delight. A talented two-piece live band (keyboard and saxophone) kept the floor alive with waltzes, Latin rhythms, foxtrots, and rhumbas. Interspersed with the live music, line dance sessions ensured that there was something for everyone. The celebration concluded at 10:45 PM, leaving everyone with memories of a truly golden night.

Shimmer & Shine: The 14th Annual Tripartite Dinner & Dance (8 August 2026)

The momentum continued into August as the RSC Dancesport contingent travelled north to the Penang Swimming Club (PSC) for the 14th Annual Tripartite Dinner & Dance. The theme for the evening was "Shimmer and Shine," and the event lived up to its name.

Organized by the Penang Swimming Club Dance Sport Group, this annual gathering hosted about 120 participants, with 30 members each from the Royal Selangor Club (RSC), the Singapore Recreation Club (SRC), and rest from the hosts, the Penang Swimming Club (PSC). The RSC generously provided a 16-seater van to ferry members to and from Penang, ensuring a comfortable journey for our representatives.

Convenors, present and past

DANCESPORT

The evening kicked off at 6:00 PM with welcome addresses from the respective convenors and PSC President Datuk Sri Dr. Lee Ville. The night featured a stunning dance demonstration by each club. Our very own Mr. K.Y. Wong and his partner, Ms. Kelly Law, captivated the audience with a graceful waltz, resplendent in tails and an elegant evening gown.

Participants enjoyed a full 8-course Chinese sit-down dinner. While there was no live band, an incredible electronic backdrop and beautifully decorated ballroom set the mood. The event programme—meticulously planned from 6:00 PM to 11:00 PM—featured non-stop action, including line dances, ballroom classics (Waltz, Tango, Foxtrot), and Latin social dances (Cha Cha, Rumba, Samba, Jive).

The Tripartite Dinner is a cherished tradition, and this year's "Shimmer and Shine" edition was a resounding success. It was a beautiful display of camaraderie and passion for dance between the three clubs.

A Heartfelt Thank You

The RSC Dancesport Section extends our deepest gratitude to all members who participated in both events, to the organizers, and to our hosts at the Penang Swimming Club. Your energy and enthusiasm make these gatherings unforgettable.

We look forward to another year of dance and invite all members to join us for upcoming activities. Stay tuned to the our WhatsApp Group Chats for future dates!

MARTIAL ARTS

A Night to Remember: How the Martial Arts Section Raised the Bar for RSC Gatherings

By Dr Pola Singh

If there was ever a single place to be on the evening of Friday, August 14th, 2026, it was undeniably the Card Room at Dataran.

More than a hundred members turned up in full force. Drawing from the fond memories of previous gatherings, they arrived with high expectations—and left utterly enchanted. If the historic walls of the Card Room could speak, they would surely testify that this was one of the finest, most vibrant functions the venue has ever witnessed. It was an evening defined by profound warmth, boundless camaraderie, and a joyous reunion of old friends who had not crossed paths in far too long.

A Symphony of Spirit and Detail

What made the night so extraordinary? Quality over quantity. While other sections may meet more frequently, the Martial Arts Section (MAS) proved once again that meticulous planning yields true excellence. Three months in the making, the leadership of charismatic CS Nathan and dynamic Ravichandran, alongside their dedicated committee, left no stone unturned. Every detail was executed with care—from a lavish spread of superb food and a free flow of drinks to a seamless, congenial atmosphere that made every attendee feel truly cherished.

With National Day just around the corner, the evening opened on a resonant, patriotic note as members stood shoulder-to-shoulder to sing Negara Ku, grounding our fellowship in shared pride and unit.

Music, Masquerades, and Unforgettable Magic

The entertainment set a new standard for Club functions. One-man band Kenneth Perera was nothing short of brilliant, elevating the room's energy by turning the performance into an interactive sing-along. Before long, adventurous souls like Richard joined Kenneth on stage, serenading a room filled with laughter and applause.

To add a splash of mystery and flair, the committee introduced a Fancy Dress theme, handing out colourful masks upon registration. The Card Room instantly transformed into a dazzling kaleidoscope of elaborate costumes, vibrant hues, and playful disguises:

Best Dressed Couple: Congratulations to Cecelia Kok and her husband, Mr. Chan Jer Ping, who took home the well-deserved title for their incredible effort and creativity! A special word of thanks goes to committee member Simon Chakravarthy for generously donating the prize.

An Overpowering Pull Across the Club

The irresistible pull of the evening was felt far beyond the MAS membership. Friday nights are traditionally sacred to the Hash Section, yet a significant number of Hashers chose to swap their running shoes for the Card Room's magic. Even those who couldn't bear to miss either—such as Dr. Brij and his wife—swiftly completed their Hash activities before rushing over to catch the second half of the MAS get-together. The consensus among all who made the leap was unanimous: it was absolute magic, and they made the perfect choice.

Setting a New Benchmark

It is no surprise that membership for the Martial Arts Section has been steadily surging—events of this calibre demonstrate what clubbing at the Royal Selangor Club is truly about at its core: genuine fellowship, high standards, and unforgettable memories.

To the MAS Committee: Thank you. Your hard work, devotion, and tireless service gave us a night where laughter flowed as freely as the drinks, and where every member walked away feeling proud to belong. You haven't just hosted a function; you have raised the bar for us all.

We are already eagerly counting down to the next one!

Motorsports Section Sekinchan Drive 2026

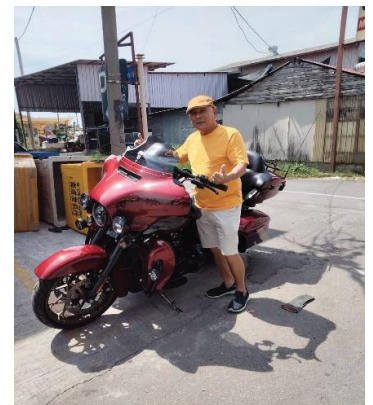

A Memorable Day on the Road with Fellow Members

By Saravanan Maniam (Vanan), Convenor

The Motorsports Section successfully organised its much-anticipated Sekinchan Drive on Saturday, 25 July 2026, bringing together members and their families for a memorable day of motoring, a satisfying lunch and fellowship. The day began at the Royal Selangor Club, Kiara, where participating members gathered over breakfast before preparing for the journey. True to the spirit of the section, members arrived in a wonderful variety of vehicles, from classic and vintage cars to modern cars and motorcycles. The convoy was a great reflection of the diverse passion for motoring shared by our members.

Following the flag-off, the convoy made its way towards Sekinchan, enjoying the open road and the company of fellow members along the way. The first stop was Hai Seng Huat Fishery, located in Bagan Sekinchan, where members had the opportunity to browse the fresh catch of the day. Those looking to take home some of Sekinchan's fresh seafood came well prepared with their ice boxes!

MOTORSPORTS

The group then proceeded for lunch at Restoran Cha Po Tion, where members enjoyed a well-deserved meal and more time to catch up and exchange stories from the morning's drive. The friendly atmosphere and camaraderie continued as members shared their experiences and enjoyed one another's company.

The afternoon included an optional visit to Pantai Redang, where members enjoyed the sea breeze, explored the area and sampled local treats, dried seafood and other local products, as well as visit the nearby Chinese temple.

More than just a drive, the outing gave members a chance to enjoy their passion for motoring, spend time together and build stronger friendships. The Motorsports Committee sincerely thanks all members and guests for their participation and support, and our Club Leaders for their continued support, guidance and encouragement towards the Section.

A special mention goes to Mr. Thatchana Moorthi for suggesting the lunch location and Mr. Jimi Low for his kind sponsorship and generous support. We look forward to bringing everyone together again for our next Motorsports adventure. Until the next destination...

JAKARTA 10s: K9s Rise to the occasion

By Senior Coach Raimi Yusof

From celebration to competition

K9s Carry May Day Momentum into Jakarta 10s Campaign

Following a vibrant June issue dedicated to the section's biggest May Day celebration to date, July shifts the spotlight onto the pitch, where the team took that same energy and camaraderie into regional competition.

Held later in the month, the Jakarta Rugby 10s Tour on May 23rd marked the K9s' next chapter—transitioning from social unity to competitive intensity. The tournament not only tested the squad against some of the region's top sides but also reflected the growing depth and character built within the team.

From the festivities of Kiara to the fields of Jakarta, the journey encapsulates what K9s rugby is all about—brotherhood, resilience, and the relentless pursuit of progress.

Top 4 Finish Caps Gritty Campaign in Regional Showpiece

The Jakarta Rugby 10s Tour in 2026 was a thrilling celebration of rugby excellence, held at the GBK Rugby Field. Organized by J.K.R.F.C and the Indonesian Rugby Union, the event brought together teams from across the region, showcasing intense competition and true camaraderie.

The tournament featured a diverse roster, including Men's Open 10s, Women's 7s, and Veterans' Open 10s (40+), highlighting the sport's inclusive spirit. In the group stages, K9s showcased their quality with a hard-fought 7-0 victory against

local side Bregada Jogja. They followed this with a draw against Komodo Blues, while DKI Jakarta proved a tough opponent, holding K9s to a 0-0 draw before edging them 12-5 in a closely contested encounter.

In the knockout rounds, K9s stepped up when it mattered most, securing a 10-5 quarterfinal victory over Japan's JJRC to book a place in the semi-finals. There, they came up against a strong RMP Blues outfit, who ran out 10-0 winners before going on to claim the tournament title.

Beyond the results, the event fostered cultural exchange and sportsmanship, drawing fans and players together in celebration of Indonesia's growing rugby community. The Jakarta Rugby 10s Tour once again delivered exciting rugby and reinforced the sport's vibrant regional presence, promising even more in the years ahead.

Overall, it was an unexpected but commendable achievement for K9s, finishing in the Top 4 of a highly competitive tournament.

The team returned home safely and are now back in training, concentrating on building up their fitness levels with a lot of cardio and high intensity drills. Focus will be on the upcoming KRS league due to start early August.

RSC International Soccer 7s 2026: A Weekend of Football, Friendship & Community

By Saravanan Krishnasamy, Secretary

The RSC International Soccer 7s 2026 concluded with a fantastic weekend of football, camaraderie and community spirit at the Royal Selangor Club Sports Annex, Kiara.

This year's tournament brought together 68 teams across the Veterans, Masters, Grand Masters, Women's and U12 categories, making it another memorable edition of the RSC International Soccer 7s.

A Growing Women's Category

One of the highlights this year was the continued growth of the Women's category, with increased participation reflecting the growing interest and support for women's football within the RSC Soccer Section and the wider football community.

We were especially pleased to welcome two Women's teams from our affiliated club, Bombay Gymkhana, as well as Swan United from Perth, Australia, adding an international flavour to the competition.

We were also delighted to welcome Happy Soccer Club from Indonesia, who returned as the Cup Champions, bringing the experience and competitive spirit of the previous year's tournament back to Kiara.

It was fantastic to see women's teams from Malaysia and teams travelling from Singapore, Australia, India and Indonesia coming together and competing alongside the men's categories, adding even more energy and diversity to the tournament.

Rain or Shine, The Football Went On!

Mother Nature certainly tested us this year!

The tournament faced heavy rain on both Saturday and Sunday, which resulted in challenging and muddy conditions around the venue. Despite the weather, the tournament continued and our teams, officials, volunteers and Organising Committee pushed through to keep the games running.

But despite the heavy rain, Kiara Field did not disappoint us! The fields remained playable throughout the weekend, allowing the tournament to continue with minimal disruption.

A special mention and huge kudos must go to our groundsman Balan and his team, who worked tirelessly behind the scenes to keep the fields in good playing condition despite the amount of rain we received. Their quick response, preparation and continuous work on the fields made a huge difference.

Considering the weather conditions, keeping the fields playable for the teams throughout the weekend was no easy task, and we sincerely appreciate the effort put in by Balan and his team.

It wasn't always perfect, and at times the fields certainly looked more like a mud bath than a football pitch! But the important thing was that the football went on.

In true RSC football spirit, rain, mud or shine, we played!

A Gala Dinner to Remember

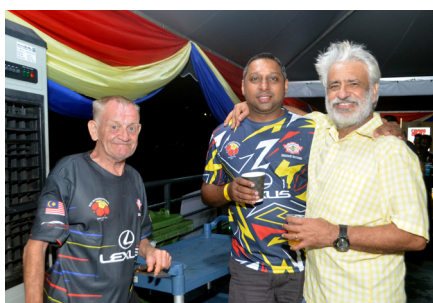

Saturday evening also saw a fantastic response to the RSC International Soccer 7s Gala Dinner, with almost 400 guests coming together for an evening of good food, entertainment, music and, most importantly, great camaraderie.

The Gala Dinner brought together players, teams, RSC Soccer Section members, Club General Committee members, guests and partners for a relaxed evening away from the football pitch.

With live entertainment, music, food and drinks, the evening provided everyone with a chance to catch up with old friends, make new ones and celebrate the tournament together.

The atmosphere throughout the evening reflected what the RSC Soccer Section is all about — football, friendship and camaraderie.

SOCCER

A Strong Contribution to the Club

While the final figures remain subject to audit and reconciliation, the tournament has also made a strong contribution to the Club.

The estimated F&B revenue generated at Kiara over the two-day tournament was approximately RM90,000, while the Soccer Section generated approximately RM195,000 in revenue from the tournament, subject to final audit.

These figures reflect not only the scale of the event, but also the strong participation and support from our teams, members, guests and partners throughout the weekend.

A Big Thank You

On behalf of the Organising Committee, I would like to sincerely thank everyone who contributed to making this tournament a success.

A special thank you to the Soccer Section Committee and the entire Organising Committee for the countless hours, meetings, planning, WhatsApp messages, last-minute changes and problem-solving that went into making the weekend happen.

We would also like to thank our Club President, Vice President, Sports Chairman and General Committee for their continued support and confidence in the Soccer Section and this tournament.

Our sincere appreciation also goes to the Sports Office, who worked closely with the Organising Committee throughout the planning and execution of the event.

A special thank you to the Kiara F&B team, who worked tirelessly throughout the weekend to cater to the large number of players, members

and guests who came through the venue. Your support was an important part of making the tournament and Gala Dinner a success.

We would also like to recognise Balan and the grounds team for their excellent work in maintaining the fields throughout the weekend, particularly under the challenging weather conditions.

Most importantly, thank you to all 68 participating teams, coaches, managers, players and supporters, as well as our Soccer Section members, sponsors, partners, officials and everyone who came down to support the tournament.

A tournament of this size can never be perfect. There will always be things that don't go according to plan, unexpected challenges and areas where we can do better.

But every tournament gives us an opportunity to learn, improve and come back stronger the following year.

The most important thing is that we came together, supported one another and delivered another successful weekend of football for the RSC Soccer Section.

From the football pitches to the Gala Dinner, from the youngest players to our Veterans and Grand Masters, the weekend was a celebration of the sport and the community that we have built together.

Thank you to everyone who played a part.

We look forward to welcoming everyone back next year for another bigger and better RSC International Soccer 7s.

See you on the pitch!

TABLE TENNIS

Returning to the Table

By Leong Chooi Sim, Assistant Secretary

27 June 2026 (Saturday), 2:00pm – 9:00pm
Venue: DTSH, RSC Kiara Sports Annexe

The Royal Selangor Club (RSC) Table Tennis Section was delighted to host the Royal Sungei Ujong Club (RSUC) for a reciprocal friendly match, with a total turnout of 45 players, supporters and guests. The afternoon was packed with thrilling rallies with nail-biting moments – crafty serves, powerful smashes, lightning top spins, precision chops and more.

After a closely contested encounter, RSUC edged RSC 7–6. While RSC's singles players gained the upper hand, the open doubles proved to be a challenge. RSUC's doubles pairings, honed through vigorous training together, gave them the overall edge. Nevertheless, the true success of the event lay in the friendships forged across the table.

After the sweaty feat, everyone enjoyed a sumptuous Western dinner and an exchange of mementoes. RSC presented RSUC with a crystal plaque to commemorate the occasion, while RSUC reciprocated with specially imprinted hand towels for our RSC players and a bag of goodies for our team captain.

We look forward to many more opportunities to return to the table in true spirit of our shared passion for the sport and inter-club bonding.

To our players, a big thank you for your dedication and commitment. Keep training hard and never give up!

Battle of the Bats – IHT 2026

By Leong Chooi Sim, Assistant Secretary

In-House Tournament (IHT) 2026 | 22 August 2026 (Wednesday) | 4:00pm – 9:00pm | DTSH, RSC Kiara Sports Annexe

The IHT 2026, your section's annual highlight event, once again brought a strong turnout of 56 section members together for an evening of competitive table tennis, enthusiastic cheers, camaraderie and fun.

A total of 28 contestants — 18 men and 10 ladies — came ready to test their skills, vie for the championship titles, and enjoy the thrill of the tournament, battling it out across 18 Men's Singles, 10 Women's Singles and 16 Open Doubles matches (knock-out-basis and best-of-3 -games with exception of semi-final and final matches played on best-of-5-games). Adding a special touch to this year's tournament were our youngest and oldest players — 10-year-old emerging table tennis prodigy Rui Han and 81-year-old spinning veteran Grandpa Robert Toh Boon Chong — proving that age is no barrier to the love of table tennis. The tournament also featured Mr Low Khee Wah and his family of four, making it a memorable family affair.

With trophies and prize money up for grabs, the competition was fierce. Players brought their A-game, thrilling spectators with tactical rallies of hurricane serves, powerful smashes, clever spins, fierce chops, and lightning-fast reflexes.

To cap off the night, the section members were treated to a sumptuous Western buffet dinner and free-flowing drinks and beers — a perfect way to wind down, share laughs, and celebrate a well-fought tournament over good food and great company.

A remarkable spin-off from the publicity surrounding IHT 2026 was the recruitment of 9 new section members, bringing our total membership to an impressive 130.
