A season of reflection, gratitude, and community spirit

Dear Members,

I want to take a moment to reflect on the recent activities at the Royal Selangor Club and to express my heartfelt appreciation for your continuous support and engagement.

A few days ago, we hosted another Halloween and Oktoberfest celebration at Oval, Kiara. This year, we made the decision to scale down the event and operate within a lower budget to align with our financial constraints. Despite this, the night was filled with joy, laughter, and a sense of community that embodies the spirit of our club.

We have also recently held the 5th edition of the RSC Rugby Tournament, the "October 10", which proved to be another resounding success. Our K9 team displayed exceptional performance, with the seniors becoming Plate Runner-up while the Dalmatians (under 18) clinched the title of Plate Champion. Congratulations to the Section Committee for all their hard work and commitment toward the Tournament. Kudos to our dedicated coaching team and all players involved for their dedication and grits on the field on that weekend.

As we enter November, we are transition into the year-end holiday season, a time often filled with reflection and gratitude. This month also brings with it the peak of the monsoon season, and we are witnessing increased rainfall and flooding in many parts of Malaysia. It was very unfortunate to hear that one of our staff members has been adversely impacted.

I would like to encourage everyone to remain vigilant during this season. With the rise in flu and influenza-like cases, it is vital to prioritize our health by taking sufficient care of our daily dietary needs. I, too, was not spared and faced a persistent flu in the last week of October,

November is indeed a month dedicated to honoring our heroes. I hold our National Heroes, especially our uniformed veterans, very close to my heart. While we commemorate Hari Pahlawan on July 1 every year, recognizing the sacrifices made by our uniformed personnel, we also observe Remembrance Day in November to honor the sacrifices of these heroes across the Commonwealth.

I would like to pay tribute to these heroes among our RSC membership cadre, expressing my sincere gratitude to those who have contributed to our national security. Thank you to Lt Cdr. Datuk Karu, Lt Col. "Hardy" Hardial, Lt Col. Manjit, Laksamana Dato' Pahlawan Danyal Bala, Lt Col. Johan, Kapt Farouk, and many others whose names may not

come into mind while I am writing this but whose sacrifices enable us to live in Peace and Harmony shall never be forgotten.

On organizational matters, I wish to extend my congratulations to the newly appointed office bearers following the completion of the AGM for all Sport Sections. On behalf of all the General Committee, I also want to express our gratitude to the outgoing committee members for your valuable contributions for the Club.

On a more serious note, I would also like to update that we have sent a follow-up letter to DBKL regarding our earlier correspondence relating to the Nominal Annual Rental negotiation relating to the Kiara's Lease Agreement. We eagerly await a response from them so that we can keep our members and stakeholders, including our Royal Patron, informed about the status of our negotiations.

Last month, we celebrated Diwali with a blend of traditional festivities and modern-themed celebration. Various sections organized their own mini celebrations, creating a vibrant atmosphere for all participants. Unfortunately, I was unable to join in on the festivities during the last week of October, as I was afflicted with a nasty flu that kept me away from this year's Diwali events organized by our sections. Please accept my heartfelt apologies for my absence, as the flu prevented me from celebrating this joyous occasion with my RSC brothers and sisters, my RSC family.

Looking ahead, I am eager to attend the Club's Diwali Dinner in November, organized by the Management and General Committee. I encourage all members who has not sign up yet to click the reservation Link that accompany the celebration poster sent through the Club's Community WA to book your seats or tables for this special gathering. It is an opportunity for us to come together as a family and celebrate this cherished annual event. Let's embrace the spirit of Diwali and make this gathering a memorable one!

Thank you for your continued support. Let us all together strive for a fulfilling and harmonious month ahead.

Warm regards,

Financial updates and cost optimisation initiatives

Dear Members

We are now in the last quarter of the calendar year for 2025 and it's been a very busy weeks and months. There is no shortage of surprises in our Club.

On P&L, its continues to be challenging.

PROFIT & LOSS YEAR YTD COMPARISON - CLUB

Description	Jul - Sep 2025 3 Month	Jul - Sep 2024 3 Month
Revenue	RM 3,106,058	RM 3,189,226
Less OPEX Before Depreciation	(3,021,384)	(3,160,217)
Surplus Before Depreciation	84,674	29,009
Less Depreciation	(246,845)	(257,927)

Financial Year Audit

The Club's external auditors are poring over the accounts to produce the Audit report for FYE 2024/2025 in time for the AGM in December 2025. The General Manager is leading the Audit with the Finance manager, addressing the many queries and clarifications. We are awaiting the Audit report for review and approval.

Tenders and Contracts

The Club tendered out for procurement of two key services, i.e.

- 1. Procurement of Security Services
- 2. Procurement of Outsourced Manpower Services

The Club issued ITBs for the procurement of the above Services. The Club's Management Evaluation Team reports that in coordination with Tender Board, it undertook evaluation and shortlisted qualified Bidders based on a set of evaluation criteria. The Management Evaluation Team states that it has conducted reviews with interviews and records are taken into account.

In line with the Club's Constitution, the Club's Evaluation Team submitted its recommendations to

Tender Board for review and endorsement for onward submission to the GC for review and approval.

The GC approved the awards of both the Security Services and Outsourced Manpower Services based on the evaluation and recommendations by the Management Evaluation Team and Tender Board.

Cost Optimisation Initiatives:

Through various initiatives, the Club has reduced the procurement of Outsourced Manpower supplies from 35 personnel in 2024 to 25 personnel in 2025 (going forward).

The Club anticipates to save substantial amount of monies from both (a) the reduction of Number of personnel required and (b) lower manpower rates arising from competitive and transparent open bidding.

We thank the Management Evaluation Team for complying with the Club's competitive tendering process to strengthen the Club's financial position and operational efficiency.

The concept of free trade and its impact on everyday life

By Rizal Edi Effendi Sahbudin, President

Free trade is an economic policy and philosophy that advocates for the unrestricted exchange of goods and services between countries. The principal belief behind free trade is that when countries trade freely without or less barriers and restrictions, they can allocate resources more efficiently, leading to increased productivity and greater innovation.

Generally, the principles of free trade include:

1. **Comparative Advantage:** This concept suggests that countries should specialize in producing goods and services for which they have a relative efficiency over others.
2. **Minimal Government Intervention:** Typically, free trade advocates emphasize reducing artificial barriers such as tariffs, quotas, and subsidies, which will allow markets to operate efficiently.
3. **Market Outreach:** Free trade may encourage industries to access larger and extended markets, enhancing opportunities for producers and benefiting consumers like us through increased availability of products.

Let us examine on how Free Trade can affect our daily lives.

1. **Consumer Benefits:** One of the most tangible impacts of free trade is the increased variety and lower prices of goods available to consumers. Consumer like us, may find a wider range of both imported and locally produced products often at more competitive prices. This variety enables

consumers to make better choices and access products.

2. **Economic Growth:** Free trade contributes to economic growth by promoting exports and attracting foreign investment. As markets expand their reach, they often generate more revenue and create jobs, which may mean more employment opportunities.

3. **Innovation and Competitiveness:** The philosophy of free trade fosters an environment where businesses need to constantly innovate to stay competitive.

4. **Job Dynamics:** While free trade can create jobs in emerging industries, the reverse may also take place in other sectors of the industries. This dual effect means that some workers may find new opportunities in growing fields, while others may face challenges.

5. **Interdependence:** Free trade encourage interdependence among nations. Individuals may find that global events impact local economies and personal life.

The concept of free trade is built in the belief that open markets create opportunities for economic growth and consumer benefits. While it offers some advantages, challenges need to also be addressed. Understanding the philosophy of free trade can help individuals appreciate its impact on their daily lives and navigate the complexities of a globalized economy. Finding a balance between advantages and challenges of free trade is essential.

Adding life to years – A call to come home

By Dr. Pola Singh

As we grow older, we often hear the phrase “adding years to life.” But what truly matters is adding life to our years. For many of us at the Royal Selangor Club, this means embracing our senior years with purpose, joy, and connection—not in isolation, but in community.

The Club is more than a building. It’s a living, breathing part of our personal and national history. It’s where we’ve celebrated milestones, forged lifelong friendships, and created memories that time cannot erase. Yet today, too many of us treat it as an obligation—a place to fulfil a quarterly minimum spend. The warmth of the Long Bar, the laughter at the Veranda, the camaraderie at AGMs, and the festive cheer during celebrations... these are the heartbeats of our Club, and they miss you.

At 76, I’m often told I don’t look my age. My secret? It’s not a magic potion—it’s a conscious decision to truly live, not just exist. And that journey is best shared with others. Loneliness is one of the greatest challenges faced by seniors. Spouses don’t always grow old together, and children—though loving—lead busy lives. That’s why the Club is our antidote. It’s where old friends meet, laughter echoes, and memories are rekindled.

Whether it’s enjoying a hearty meal at the dining hall, singing at the Cellar, watching a match at Kiara, or simply chatting over coffee, these moments nourish us emotionally and socially. The Club offers over 20 vibrant Sections—from Billiards to Dance Sport, Hash to Hockey, Musical & Arts to Darts. Each Section is a doorway to new friendships and renewed purpose. Attend their AGMs, join their events, and be part of the camaraderie. You don’t need to be an athlete or an artist—just bring your spirit.

And let’s not forget the value we enjoy: two premises, one membership. Dataran and Kiara—two for the price of one. That’s not just convenience, it’s value for money. Encourage younger members of your family to explore the Club’s offerings. Let them see what we’ve built, and what they stand to inherit.

Health, too, begins here. Think of exercise not as a chore, but as an investment. A daily dose of movement is a deposit in your health savings account. Just look at the hashers—every Friday, rain or shine, they run at least five kilometres. They get a good workout, but more importantly, they enjoy the fellowship and the food that

follows. My lungs have benefited from singing—proof that joy and wellness can go hand in hand.

I personally cherish my time with the “Gentlemen of the Long Bar.” We share stories, laughter, and the kind of news you won’t find in the papers. We celebrate everything—from birthdays to anniversaries. This is what the Club is all about—a place to share, to laugh, and to simply enjoy each other’s company.

Let us not chase outliers or dwell on what we’ve lost. Let’s celebrate what we still have: our independence, our wisdom, our friendships. Let’s eat well, move often, speak kindly, and live fully.

Before reacting... breathe.

Before criticising... reflect.

Before dying... live the most beautiful life you can. And what better place to live it than right here—with friends, food, and fellowship at the Royal Selangor Club.

A good life, a quality life, is not something we stumble upon. It is something we craft—with intention, discipline, and a little help from our friends. So smile more. Be grateful. And remember, the Club you grew up with misses you.

It’s time to come home.

RSC members are mindful of the relationships we nurture through clubbing

Unseen dividends from hosting the 47th Asean Summit

STAR Publications, Letters, Tuesday, 28 Oct 2025

By Dr. Pola Singh

With the most anticipated and impactful day of the 47th ASEAN Summit now successfully concluded, much of the public discourse, especially in KL and PJ, had initially focused on the easily quantifiable: the tight security, the inevitable traffic disruptions, and, perhaps most prominently, the final cost of logistics and hospitality. While we welcomed the impressive lineup—from President Donald Trump and China's Vice Premier He Lifeng to Japan's first female Prime Minister Sanae Takaichi—it was tempting to calculate only the immediate diplomatic return.

Yet, the true, enduring value of hosting this historic gathering would lie not in the official deliverables, but in the realm of the unseen—a phenomenon best explained by the Law of Unintended Consequences. These moments were exemplified right from the start, thanks to the engaging hosting by Prime Minister Datuk Seri Anwar Ibrahim, who carried out his task exceedingly well and impressed all who met him. US President Donald Trump, visibly entertained by the cultural dancers after getting off Air Force One at KLIA, broke into his famous dance move—pumping his fist and swinging his hips—to the delight of the VVIPs. A beaming Anwar sportingly joined in to add to the merriment. These light-hearted, unrehearsed happenings certainly added to the magic moments of Trump's visit to Malaysia.

While critics focused on the monetary cost, organisers needed to look to the long-term, unquantifiable benefits that would shape our nation's trajectory for years to come. The eyes of the world were on our nation, and this was a defining moment for Malaysia.

The Great Global Re-Branding: Diplomatic Capital Unpriced

The primary goals of the Summit were always diplomacy, trade, and regional cooperation—the intended consequences. But the far more profound benefit, I believed, was the instant, credible validation of Malaysia on the world stage. Hosting smoothly—managing the logistics, security, and complex protocol required for such high-level figures—did more than just bolster the government's reputation. It signalled to the world that Malaysia is a mature, stable, and highly capable nation. This competence was a form of sovereign credibility that no advertising campaign could ever buy.

The sheer scale of the global spotlight was something to behold: 2,854 media personnel from 290 agencies were accredited to cover the event. These were not just reporters covering official speeches; they were living and breathing in Kuala Lumpur for several days. They were experiencing our infrastructure, eating our food, navigating our multiracial landscape, and preparing to convey these direct, first-hand impressions back to billions of readers and viewers globally.

This was essentially a multi-billion dollar, high-credibility global media campaign gifted to us free of charge.

I had lived and studied in the United States for six years, and I knew firsthand how little many Americans knew about Malaysia. This Summit, I felt, would change that. When President Trump and his delegation set foot on our soil, when major broadcasting networks such as ABC, NBC and CBS filed stories from our capital, and when global leaders spoke of Malaysia with admiration—our visibility was set to soar. This was how nations rise in the global imagination: through presence, performance, and perception.

A Catalyst for Trade, Tourism, and National Pride

Beyond media exposure, we foresaw a powerful "unintended" tourism, trade and investment dividend. Many visiting leaders, delegates, entrepreneurs, and journalists would experience Malaysia for the first time. They were expected to dine on our nasi lemak and char kuey teow, admire our multiracial harmony, and discover that Malaysia truly was "Asia in miniature." When they return home, they would carry with them not just business cards but memories—stories of a warm, vibrant, and welcoming nation. Word of mouth, as every marketer knew, was priceless.

The leaders, ministers, senior officers, and private sector entrepreneurs accompanying them represented the highest-value familiarization group a country could ever wish for. This exposure was the critical first step in placing Malaysia firmly on their radar, translating directly into potential future Foreign Direct Investment (FDI), trade and, most importantly, increased employment opportunities for Malaysians. The event was poised to act as a massive prelude to Visit Malaysia 2026, beaming images of our world-class facilities and efficient organization globally.

Ultimately, the act of successfully hosting the ASEAN Summit positioned Malaysia as a bridge-builder and a voice of moderation and reason in a divided world. The success of convening the world's most powerful personalities could not be captured on balance sheets, but it would undeniably shape our national confidence.

This was an investment and a down-payment on a more prosperous, prominent, and respected position for Malaysia in the decade ahead.

DARTS

RSC Darts section highlights: August to October 2025

By Betsey Kaur

On 30th August 2025, 12 players plus several supporters made a trip to Ipoh for the inaugural Dato Satvinder Singh Challenge Trophy games which was hosted by Royal Ipoh Club ("RIC").

This to-be annual games shall be played between RSC and RIC and it is a welcomed addition to the annual Tan Sri Hamzah Challenge Trophy games; and the Dr Abel Arumugam & Gordon Yong Challenge Trophies games, which are played between RSC and Royal Lake Club for the former; and RSC and Royal Sungai Ujong Club for the latter.

We were warmly welcomed by the Sports Chairman and the members of RIC and were treated to a sumptuous lunch before the start of the games. Unfortunately, RSC lost the games by 2 points to RIC and YB Dato Satvinder presented the Challenge Trophy to the President of RIC, Mr Hari Krishnan.

After an absence of several years, Royal Lake Club organised their Merdeka Tournament on 13th and 14th September 2025. 3 teams from RSC participated, namely, RSC Dalmatians, RSC Tigers and RSC Rhinos. All 3 teams were in the Winner Pool. RSC Dalmatians emerged as the runners-up after losing to Tawau Recreation Club by 1 point and RSC Tigers were the Joint Third.

Selangor Coast Club Klang had their 1st Ladies' Singles Tournament on 20th September 2025. This Tournament was originally supposed to be held simultaneously with their Interclub Tournament which was held in January 2025 but was postponed due to some technical issues. 19 ladies from various clubs took part including 3 from RSC. Our very own Tanis Chin did us proud by emerging as the Champion after a terse finals with Elise from Raintree Club. Congratulations and Keep it up, Tanis!!

The Dr Abel Arumugam & Gordon Yong Challenge Trophies games were hosted by RSC on 27th September 2025. Our guests from Royal Sungai Ujong Club ("RSUC") were treated to some light food before the commencement of the games. Both the RSC men's team and ladies' team managed to beat RSUC. The Dr Abel Arumugam Challenge Trophy (which we lost to RSUC last year) was handed over to our Darts Captain, Manish by RSUC's Darts Captain, Leslie. Our ladies retained the Gordon Yong Challenge Trophy which we won last year and it was handed over to our Ladies' Captain, Betsey by RSUC Ladies' Captain, Vimala.

Our very own Interclub Darts Tournament was held on 4 October 2025. Due to some unforeseen circumstances, it was decided that this year it would be a Royals only Darts Doubles Tournament. All the Royals clubs throughout Malaysia were invited to participate which was reciprocated by all with the exception of Royal Klang Club. A total of 35 pairs took part. The results are as follows:-

Winner Pool

Champions: RSC F (Prem Singh and Ranjit Singh)
Runners-Up: RIC B (Vijay and Pillai)
Joint Third: RSC C (Ruben and Victor)
RIC C (Indra and Kanesan)

Plate Pool

Champions: RKC B (MY Rajan and RJ Naidu)
Runners-Up: RPDYC Hunters (Wilson and Simon)
Joint Third: RPDYC Roses (Pauline and Rani)
RKC A (Nava and Jason)

The Darts Section AGM & Pre-Deepavali Party was held on 15th October 2025. More than 60 section members attended the AGM which was chaired by our Sports Chairman, Mr V.T. Sivam. A new committee was unanimously elected as follows:

Convenor: Alwin Rajasurya
Secretary: Sunthararuban
Treasurer: Pranavaruban
Committee: 1. Tony Mariadass
2. Murthi Sinnaroo
Auditors: 1. Muralidaran
2. Manish Kothari

After the conclusion of the AGM, the party started with an excellent dinner and entertainment consisting of both Tamil and Hindi singers. Members and guests had a fun time with plenty of food and drinks. In conclusion, we bid a warm welcome to the new committee; and on behalf of the former committee, we would like to thank all section members for their support and attendances during the various events organised by the previous committee.

This would be the last article by this scribe and future articles would be submitted by the new committee. Happy Darting!!

Connecting members through the love of the drive

By Saravanan Maniam (Vanan), Convenor

The RSC Motorsports Section has been part of the Club's heartbeat since 1999, bringing together members who enjoy cars, driving, and discovering new places — with great camaraderie along the way. What started as a shared passion among a few has grown into a warm, active motoring community where everyone is welcome — whether you're into classic / vintage beauties, modern performance machines, motorbikes, family SUVs, or simply love a good weekend drive and fellowship.

Over the years, the section has lived through countless memorable journeys. We've organised charity drives and visits to homes, treasure hunts, scenic convoy outings, nostalgic town visits, go-kart races, and fellowship gatherings that often go well beyond the final stop of the drive. From overnight exploration trips to orang asli settlement visits, classic/vintage car meet-ups, and collaborations with other motoring clubs — each experience has strengthened friendships and built new ones. And as motoring culture evolves, we'll continue riding that wave with fresh, exciting activities that reflect today's trends and interests.

But beyond engines, routes and destinations — what truly fuels the section is the spirit of friendship. Every drive is a chance to catch up, welcome new faces, share stories and motoring tips, and create memories along the way. Some join for the cars, others for the travel — but all stay for the fellowship and the sense of belonging. It's not just about where we drive, but who we drive with.

If you've been curious about joining — now's a great time. Whether you prefer leisurely convoys, scenic countryside drives, discovering hidden towns, or simply mingling with like-minded club members over drinks, there's always something in the pipeline. We're also planning more family-friendly outings, lifestyle-themed drives, and collaborative events with other clubs — ensuring there's something for every kind of motoring enthusiast.

So if you love motoring, exploration, good company, and being part of a vibrant and welcoming group within RSC — come ride with us. The road ahead is full of fun, friendship and new adventures, and we'd be delighted to have you along.

(Memories from our early motorsports journeys)

Rugby section AGM 2025: A year of stability and renewal

By Mo Mustapha

Reaffirming Leadership, Reclaiming Legacy

The Rugby Section's Annual General Meeting was held on **9th October at 7.00 p.m.** at the **Dewan Tan Sri Hamzah (DTSH)**, attended by section members, players, and club officials with **Club President Rizal** and GC member, **Harcharan** in attendance. **Convenor Mo** tabled the **2024-25 Convenor's Report**, covering key highlights across the last 12 months—ranging from the KRS league campaign, tournaments, and junior rugby initiatives to membership growth and financial sustainability.

Treasurer Daman then elaborated on the section's expenditure patterns and outlined **financial goals for 2025-26**, emphasizing the importance of corporate sponsorships to ensure the sustainability of coaching programs, match operations, and youth development.

Next, **Secretary Iskandar** delivered a significant update on **RSC's full reacceptance as a member of the Selangor Rugby Union (KRS)**. This milestone marked the resolution of a long-standing issue dating back to **2015/16**, when constitutional ambiguities had caused RSC's membership status to be revoked. Thanks to the efforts of **KRS** and the **Sports Commissioner's Office**, the union's constitution was amended to permanently resolve the matter. As one of the **founding members** of the union, RSC welcomed the decision with gratitude and renewed pride.

Following the reports, **Sports Chairman Sivam** presided over the **election of office bearers**. The process was conducted smoothly and efficiently, with all **incumbents re-elected for another term**—a clear reflection of confidence in the section's leadership and direction.

The AGM concluded on a positive note, reaffirming the section's collective commitment to stability, growth, and unity as it looks ahead to the **Kiara October 10s** and the next chapter of the **Roadmap 2026** journey.

TENNIS

Rekindle the spirit of friendship in the Tennis section

By S. Siva Ahnantham, Convenor

As I step into the role of the Tennis Section's new Convenor, I do so with humility, gratitude and a deep sense of responsibility.

I also wish to warmly welcome the new committee.

They are:

Secretary	Andrew Wong
Treasurer	Avtar Singh Gill
Committee 1	Ruben Suppiah
Committee 2	Baldwin Zacharia
Auditor 1	Uma Govindasamy
Auditor 2	Dalip Kumar Narula

Our section has faced difficult times that have tested our unity, our values, and our trust in one another.

I invite every one of our 270 paying members of the section to turn a new page. The tennis courts will once again be a place of camaraderie not conflict.

Our vision is simple: to rebuild trust, and rekindle the spirit of friendship and fair play that defines our Section and the Club.

Our aim is to ensure transparency so that all financial and administrative matters are handled openly.

For 2026, we plan to organise four (4) internal tournaments at RSC based on age groups and this would be after taking into consideration the views and interests of the majority. We want to continue the longstanding tradition of friendly interclub/interport games.

Also, we need to be more forthcoming and open in consistently communicating all activities via our Tennis Section WhatsApp group.

Let this be the start of renewal, a time when we rediscover why we joined the Tennis Section in the first place - love for the sport and respect for one another.

Induction Night

Wednesday, 29 October 2025

By Harcharan Singh, Membership Chairman

The Royal Selangor Club held its 5th Induction Night on 29 October 2025, an evening marked by fellowship and celebration. The event was graced by Past Presidents Mr. Andrew Bryan Perera and Mr. Ronald Quay, together with members of the General Committee, Membership Sub-Committee, and Disciplinary Board.

A total of 31 Temporary Members attended the event, each accompanied by their respective Proposers, Seconders, and guests.

The evening commenced with an address by Mr. Harcharan Singh, Chairman of the Membership Sub-Committee, followed by remarks from Mr. Ranjit Singh Arjan, Vice President, who represented En. Rizal Edi in his absence due to illness.

In his speech, Mr. Harcharan encouraged members to take the opportunity to introduce new candidates under the current membership schemes before they expire. He also urged newly elected members to make full use of the Club's wide range of facilities, participate in its social and sporting activities, and, above all, build lasting friendships within the RSC community.

Two of the key membership schemes highlighted were:

1. One-for-Three Membership

Available to members with more than three years of tenure, this scheme allows the introduc-

tion of a new candidate under the age of 60 at a special rate.

2. Youth Scheme

Designed for members' children aged **21 to 35**, recently extended from 30, as approved at the Extraordinary General Meeting on 24 August 2025, this scheme offers preferential rates to encourage the next generation to join the RSC community.

The evening continued with a delightful sit-down dinner featuring a variety of dishes, complemented by a live tosaï stall, assorted desserts, and a flowing selection of beverages, from mocktails to beer and whiskey. Guests praised the delicious offerings and warm hospitality. Entertainment for the night was provided by the talented Sensations Band, whose lively three-piece performance kept the atmosphere vibrant throughout the event.

The highlight of the evening was the presentation of Ordinary Membership Cards to the new members, officially marking their induction into the RSC family. With this, they are now eligible to participate and vote at the upcoming Annual General Meeting.

A group photograph was taken to commemorate this memorable evening, capturing the camaraderie among the General Committee, members, and the newest additions to the Club. Congratulations to all our newly elected members, and welcome to the RSC family!

A night to remember: Halloween & Oktoberfest Nite Party at the Oval Kiara

By Dr. Pola Singh, M&A Secretary

They came to enjoy themselves

On the ghostly evening of 31st October 2025, the Royal Selangor Club's Oval Kiara transformed into a cauldron of laughter, music, and merriment — a spellbinding fusion of Halloween's spooky charm and Oktoberfest's Bavarian revelry. For the first time ever, the M&A Section dared to blend two wildly different traditions into one unforgettable night. And oh, what a night it was.

Costumes, Camaraderie & Cold Beer

From the moment the doors creaked open at 4:30 PM, the Oval buzzed with anticipation. Ghouls, witches, vampires, and beer-loving Bavarians descended in full force, flaunting their frightful finery. With best-dressed prizes and door gifts up for grabs, creativity soared — from eerie elegance to downright hilarious horror.

But the real potion of the night? The beer. Served in generous 500ml glasses at just RM10 — with a sixth glass free for every five bought — the promotion was irresistible. The bar was a hive of activity, with barmen working their magic to quench the crowd's thirst on a warm evening. The Oval's cozy ambience — not too bright, not too dim — was the perfect setting for 150–200 guests to mingle, laugh, and let loose.

Karaoke, Live Music & Dancefloor Delight

The evening kicked off with karaoke that hit all the right notes. Singers chose crowd-pleasers that had guests singing along and dancing with abandon. The joy was contagious — smiles lit up the room.

Later, "Jeremy and Friends" took the stage, overcoming a brief technical hiccup to deliver a rousing set of popular hits. The band's energy was

electric, and the crowd responded in kind — dancing, clapping, and cheering well past midnight.

Bratwurst Meets Satay & Snap-Happy Guests

In true Oktoberfest spirit, German fare was served with a Malaysian twist — Bratwurst sausages paired with satay. It was a culinary mash-up that delighted palates and sparked conversations.

As the night unfolded, guests shared photos and videos in real-time across chat groups, tempting others to abandon their plans and join the revelry. The Oval became the place to be.

Behind the Scenes: The Heroes of the Night

Special thanks to Assistant General Manager Roy, whose meticulous planning ensured a seamless experience, and to General Manager Ramis, who personally checked in to keep the night running smoothly. Their dedication and care were the invisible threads that held the magic together. Thank you to Kim, the M & A Convenor and Robert Tan for their superb handling of the event

Final Word: If You Missed It...

You missed a night of spine-tingling fun, beer-fuelled laughter, and heartwarming fellowship. But don't despair — if this dazzling debut is anything to go by, next year's edition will be even bigger, bolder, and more bewitching.

So mark your calendar, dust off your costume, and prepare your taste buds — because when Halloween meets Oktoberfest at RSC, it's not just a party. It's a legend in the making.
