Some guidelines for members' convenient access to the facility

- This service is from 10.00am till 10.00pm daily.
- Observe the objective of educational, research, and recreational purposes.
- To use the facility register at the reception counter.
- Headsets shall be provided.
- Limited to one hour per session. Extension is allowed if no one is waiting.
- Discretion in use of the facilities is expected, avoiding illegal activities including access to inappropriate content.
- Users are liable for repair or replacement of damaged equipment.
- Login information cannot be shared. Do not leave the terminal unattended while logged in.
- Downloading or installing any software or files onto the terminal is prohibited.
- Breach of these guidelines may result in the member being denied access to the terminals.
- There are CCTV cameras in the room for members' safety.
- The Club will not be liable for any personal information that is stored and or leaked from the internet terminals.
