Bulk Liquefied Petroleum Gas (LPG) for RSC Kiara kitchen

We anticipate to make substantial savings arising from the installation of this bulk LPG facility

M Jayakumar
President

**Speed,
cost efficiency**

The shift from single 50kg cylinders to bulk supply eliminates down time for changing cylinders in a busy kitchen. The advantage of bulk LPG is constant supply and pressure resulting in cost efficiency and speed

Warren Otto Rodrigues
Executive Chef

It has been a week of smooth operations since Friday 5 May 2023 when President M Jayakumar 'lighted the fire' commissioning the new bulk LPG use, witnessed by Executive Chef , Warren Otto Rodrigues and LPG consultant ,Datuk Kalai Chelvan

Another facility upgrade

'Thumbs up' after inspecting the new bulk LPG at the rear of the RSC Kiara premises. LtoR: Roy Jeyakumar – Assistant General Manager , Khoo Kah Jin - Kiara Chairman and Sports Chairman, M Jayakumar- President , Datuk Kalai Chelvan - LPG Consultant and Warren Otto Rodrigues – Executive Chef
