ROYAL SELANGOR CLUB

SINCE 1884

Dear Members,

On behalf of the General Committee, we would like to extend our sincere appreciation and gratitude to all members for their strong support and participation at the Extraordinary General Meeting ("EGM") held on **15 November 2026**.

At the EGM, members approved Resolutions on contributions towards the renewal of the Club's Dataran Merdeka lease and the establishment of a Building Fund Reserve. The approved contributions will address the estimated RM1.56 million lease renewal funding shortfall and provide dedicated funding for future improvements to the Club's facilities and infrastructure.

Hence, the Club will now proceed with the implementation of the following:

1. RSC Dataran Lease Renewal Contribution

A special **one-off contribution of RM300 per member** has been approved to assist in funding the renewal of the Club's Dataran lease. The contribution will be charged to members' accounts in **three (3) consecutive monthly instalments of RM100 each commencing November 2026.**

2. Building Fund Reserve

A **Building Fund Reserve contribution of RM25 per month** will be implemented with effect from **February 2027 onwards**. This dedicated reserve will support the future upkeep, enhancement, and improvement of the Club's facilities and infrastructure.

For clarity, the fund contribution schedule shall be:

Billing period	Special lease renewal contribution	Monthly Building Fund Reserve contribution
November 2026	RM100	—
December 2026	RM100	—
January 2027	RM100	—
February 2027 onwards	—	RM25 per month

The contributions shall apply to all existing, new and future members. Members admitted after the implementation dates will also be subject to the above, with the commencement date adjusted according to their date of admission.

The General Committee thanks all members for their commitment and continued support. Your collective contribution plays a vital role in safeguarding the Club's long-term future and strengthening the financial resources necessary to maintain and improve our facilities for current and future generations of members.

Yours sincerely,

Thinakumar Thiruvengadam
