

Royal Selangor Club

NOTICE

ACCESS CARD DEVICE

1. The access card device is installed to better facilitate Club Members and to curb unauthorized entry at the GYM and both male and female changing room.
2. Club Members are to use their current Membership Card by swiping at the access card device to gain entry at the location where the device has been installed.
3. Only Club Members and authorized Club Staff can access the device.
4. As for the usage of Changing room by reciprocal Members and visiting teams in the event of games being held at the Club, the Club will issue a temporary access card upon the relevant documentation is provided. Once this process is completed, the Club will use its discretion to issue the temporary access card.
5. The reciprocal members and visiting players/teams are solely responsible of the card issued to them and they are compelled to return the access card at end of the day. Failing which a charge of RM20.00 per card will be charged to the relevant account.
6. In the case ceased membership or defaulter, the access will be denied.
